Employees Benefits Automated Tracking System (EBATS)

The Employee Benefits Automated Tracking System (EBATS), allows employees to see the status of their action(s) that are being processed by the Army Benefits Center – Civilian (ABC-C). After logging into EBATS, employees can see a summary of their current benefits, and any open/closed benefit action received by the ABC-C, such as military/civilian deposits or redeposits, retirements and retirement estimates.

EBATS can be found on the ABC-C website at: <https://abc.army.mil>. Please note that EBATS can only be accessed by logging into a Government computer using a Common Access Card (CAC).
